## Scholars of Ireland

*Erin Crowe*

On Tuesday, 22nd October, twelve 2nd year girls were selected to go to Scholars of Ireland in Trinity College. When we got there, we went to a big lecture hall. They spoke to us about college life and how scholars can improve our English and how it is a great opportunity to gain confidence and meet new people. After that, we met our tutor, Lynn Mills and she brought us to another conference room. She gave us a lecture on the Dead Sea Scrolls and told us all about them. Then we had lunch in the great Trinity canteen with students from other schools. After that we had a campus tour and we saw the new Trinity Business Centre and learned that's where the projects and conventions are held. On behalf of the scholars we would like to say a huge thank you to Ms. Horgan for everything.

## Inter-Loreto Hockey Blitz

On Wednesday, 23<sup>rd</sup> October the first year class of 1 Nightingale took part in the Inter-Loreto Hockey Blitz. Many of the girls had never played hockey before and were taught rules on the bus. But that did not phase them in the slightest. When they arrived, they were ready, excited and eager to play. The games were tight, with our fledgling team only losing by a narrow margin against very experienced teams from the other schools (and even scoring a goal in the process!). The last game was against Loreto Dalkey and the girls played their socks off, drawing that game 0-0. It was a brilliant match and the girls rose to the occasion magnificently. There were huge cheers from the Crumlin crowd. The point won against Dalkey meant we came 3rd in the league. It was a great experience for the girls, who celebrated their deserved success with a pizza when they got back to school. A huge thank you to Ms Doyle for all her hard work.

More photos from the event are on our school Facebook page.

# Hallowe'en Dress Up Day 2019

The final day of our first half term got us all in the spooky Hallowe'en spirit as staff and students got dressed up for our annual fancy dress day. There were Minions, Mean Girls, M&M's, clowns, witches and a myriad of other colourful characters from books, films, TV and popular culture. Thanks to everyone who contributed to this fantastic fundraiser which made £575 which will go directly to help fund the new computer hub in Marian House. Ms. Murphy has made a video of the day's pictures which you can find here: <https://youtu.be/cxhnYvycEgk> Here's just a flavour of some of the fun costumes from the day.

**School re-opens on Monday, 4<sup>th</sup> November with classes beginning as usual at 8:50am. See you then.**
