

## **LORETO COLLEGE CRUMLIN ROAD MISSION STATEMENT**

We in Loreto College Crumlin Road celebrate our identity as a Catholic school in the Loreto tradition. Our belief in the immense capacity of the human person for learning inspires us to provide a school which offers students a positive educational experience.

Immersed in a pluralist society, we take up the challenge to:

- **create a stimulating learning environment which**
  - Cultivates curiosity
  - Encourages exploration
  - Nurtures creativity

so that each of our students may have the opportunity to develop the fullness of her academic and personal potential.

- **promote a school culture which**
  - Values diversity and its enriching effect on our school
  - Creates and supports structures which enhance the self-esteem of all
  - Nurtures an ethos of respect for self, others, the wider community and the earth.
- **Celebrate a joyful Christian faith that informs the search for personal fulfilment and leads to justice.**

In partnership with parents and guardians, students and the wider community, we seek to empower our young adults as they journey towards becoming mature, discerning, compassionate women of integrity.
