Junior Cycle/Certificate Results Day 2019

12.30pm, Friday, 4th October 2019, Loreto College, Crumlin Road Concert Hall. Three classes of now 4th and 5th year students lined up in their groups from last year, nervously awaiting their results. Their names were called out, each student receiving a bright white A4 envelope. They waited and waited until the last envelope was handed out. And then...

Huge congratulations to all of our girls who received their Junior Cycle/Cert results. We are extremely proud of you all. Your hard work and dedication to your studies were clearly evident in the brilliant results. Congratulations and thanks to students, families and teachers who all made this possible

TY's in Carlingford

Written by Daniella Omoigui , Ciara Lyons , Caithlin Griffin and Katie Dawson (4th year)

On Thursday 18th of September the transition year students arrived at the school at 7:50am to leave for Carlingford, Co. Louth. The bus joffurney was full of excitement we arrived at Carlingford Adventure Centre at 10:00, we dropped off our bags, then headed straight to our first activity; kayaking. We kayaked out to the raft in pairs and we then did different

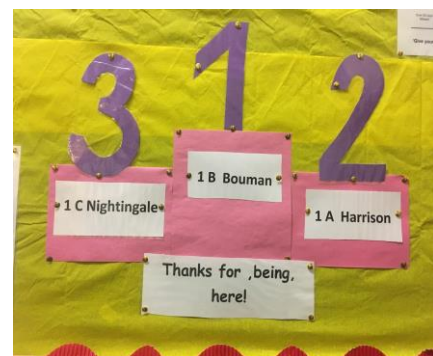

activities, such as jumping off a trampoline into the water. We headed back to the main house where we got lunch. In the afternoon we did laser tag which we played in the forest. We were split up into two teams and played different games. We made our way back to the house afterwards for dinner.

After dinner we finally got situated into our rooms some people were split into a little B&B in the town centre. Our last activity of the day was the campfire where we sang songs got told stories and ate smores. On Friday we had mixed activities before we headed home. They included Aeroball, Archery and a 3-D maze. We then got our lunch and headed home. We all really enjoyed the trip and we were sad to come home.

Best Attendance - September

The results are in for the best attenders at school during the month of September. It's the first years who are setting the highest standards and are making sure that they get off to a terrific start by being in class and fully participating in school. Congratulations to all three first year classes, but especially, 1 Bouman who have the best attendance stats for the entire school. Well done!

Next Week – Wellbeing Week

Wellbeing week begins Monday, October 7th and there are plenty of events taking place. Check out our website over the weekend and you can see what's coming up over the coming days.

CFES INTERNATIONAL SCHOOL OF DISTINCTION

Our school has been honoured yet again by CFES (College for Every Student). Last week, over three days in Oxford, Mr. Whelan and Mr. Lenehan visited the Trinity (College) Access Transforming Education Conference alongside other Irish schools who are part of the Trinity Access Programme. Loreto Crumlin received a distinct honour in being recognised as a CFES Trinity Access International School of Distinction. Our two delegates were proud to accept the award from Rick Dalton, president and CEO of CFES Brilliant Pathways. This acknowledged our 5 years participation in this programme which has greatly helped prepare our students for further study and training after graduation.

Debating – Junior Belvedere Mace

On Saturday, September 28th, four brand new debaters participated in the Belvedere College, Junior Mace debate. Millie Flanagan, Angelika Silwoska, Lucy Keating and Benita Mbu, all from First year proudly represented our school. The Belvedere Mace debate was a very special one for us as we returned the trophy that we won last year. We were very happy to return it with our name engraved for 2018. The girls performed admirably on Saturday and this will certainly not be their last debate in Loreto colours.

The Girls who went to Hell...and Back

Eleven of our bravest, most courageous and fittest girls took on the mammoth 8km Hell and Back obstacle course on Killruddery Estate, Bray. The endurance event on October 2nd which took between 2-3 hours tested the girls to their physical and mental limits, while also promoting teamwork and resilience.

Obstacles included 10ft walls, a swamp, tyre zone and a water jump and slide to name but a few. Congratulations to Abbie O'Hara, Abigail Manahan, Becky Mbu, Catherine Cadawas, Keiffer Cortez, Neila Kavaliauskaite, Reese Ann Villa, Romaisa Abdussayed, Salma Magbri, Shannon Redmond and Zofia Radon.

TRINITY ACCESS ²¹

Engage, Innovate, Inspire

In our regular newsletters, we feature initiatives from TAP (Trinity Access Programme) which are available to students. If you wish to apply or get further information on any of these, please see Ms. Horgan or click on the links below.

Sign up for Taste of TAP Deadline: 25th October

Taste of TAP is an opportunity for interested 6th year students to experience the Foundation Course before applying for it. This year, it takes place on 6th November.

Two sixth-year students (plus one reserve) from each linked school will get the chance to meet tutors, attend lectures and have lunch on campus - [click here for more information](#).

To sign up 2 students (plus reserve), [click here to fill in their details](#) by 25th October.

Please find a [pdf of the online application here](#) and a link to the [parental and medical consent each student will need to attend here](#).

Please note students who wish to attend should be familiar with and met the eligibility criteria ([click here for more information](#)) for the Foundation Course.

For more information, you can email diane@ta21.ie.
