

Loreto Crumlin - Celebrating Success

On Thursday, 21st November, we held an awards ceremony in the concert hall to celebrate the wonderful academic achievements of students who achieved the highest marks in this year's state exams. We were delighted to welcome back three graduates; Lauren Foley (top left), Ciara White (top right) and Renee Campbell (bottom centre) to celebrate their terrific Leaving Cert Results. Ruth Komolafe was represented by her mother Jasmine. Junior Cert awards were deservedly received by Aishah Buzakhar (bottom right), Siofra Kildee-Doolan (top centre) and Robyn Kinsella (bottom left). There was also a very special award given to Renee. She was the recipient of the Leonda Bursary, presented in memory of Leonda Nolan who passed away in 2004. Her brother James Kinch of Qualtrics presented Renee with her award which will be of great benefit to Renee in her BSC in Education Studies. *(photography - Ms. R. Murphy)*

Raining, Raining, Raining on the River

4 Griffith class visited Glendalough on Wednesday, 20th November. They were there to complete a River study of the upper and lower courses of the Logduff Brook. The students measured the river's width, depth and velocity at both sites. They also completed an analysis of River bedload. There were many things to observe on the study including features of river erosion and deposition along the way. It rained for over 3 hours, but great fun was had by all.

King Lear for 5th Year

5th Year Higher Level students got the opportunity to see a live performance of King Lear on Wednesday, 20th November. They travelled early morning out on the LUAS to the Civic Theatre in Tallaght where the Cyclone Rep staged the Shakespeare play. It was a great opportunity to see a play that they are studying for Leaving Cert come to life and get some great insight from the actors involved in its performance..

Christmas Hampers

Our annual Christmas hamper appeal began again this week. There are two boxes in our reception area for you to drop in any non-perishable items. Tins, sweets, biscuits, crisps or any other type of non-perishable food will help make a happy Christmas for families this year. Thank you for your kindness.

Some of what's on next week...

Tuesday, 26th November	SCOOOL CLOSED- Junior Cycle training for teachers.
Wednesday 27th November	TY's visit to The Laughter Lounge
