Sister Act – TY Musical 2020

The Transition Year Class of 2019-2020 proudly present Sister Act from **Wednesday January 22nd to Friday January 24th** on our very own stage in the school concert hall. The girls are hard at work rehearsing, making props, designing the programme, getting sponsorship and trying on costumes. The momentum and the excitement are building every day. **Tickets go on sale this Monday, 13th January at lunchtime outside the concert hall.** They cost €10 for the Wednesday and Thursday shows and €12 for the Friday performance. Get your tickets early to avoid disappointment.

Also, check out our promo video on our YouTube channel and Facebook page which has been created by English/History teacher Ms. Murphy, along with this superb photo (*above*) she took this week.

Retreats

Second and Third year students were paid a visit by singer/songwriter Gerry Keegan who facilitated their retreats on Thursday and Friday. As well as fun music quizzes and team building exercises, Gerry's day long workshops gave the girls an opportunity to engage with their spiritual and personal development. Gerry's innovative wellbeing promoting activities helped the girls learn more about themselves, and each other.

First Year Parent Teacher Meeting

We look forward to welcoming parents of our new First Year students to our school this coming Monday, 13th January from 4:15-6:45 for their daughter's parent-teacher meeting. All of your child's teachers will be in the concert hall and you will be able to visit each one and get an update on their progress as we near the half way point of the school year.

Sporting Success

Congratulations to our Senior Basketball team, who had a resounding 56-10 victory of Loreto Beaufort in their match on Thursday, January 9th. Our senior camogie team have an important match on Monday against Gaelcholáiste Reachrann in Clontarf. A victory could lead to a busy week of fixtures. We wish them every success
